(Registration number: IT 1524/2002)

Annual Financial Statements for the year ended 28 February 2021

Trustees' Responsibilities and Approval

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the basis of accounting as set out in note 1 to the financial statements.

The annual financial statements are prepared in accordance with the basis of accounting as set out in note 1 to the financial statements and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the trustees sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

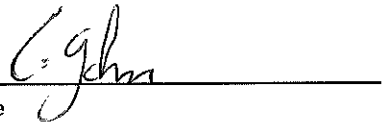

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 28 February 2022 and, in the light of this review and the current financial position, they are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the trust's annual financial statements. The annual financial statements have been examined by the trust's external auditors and their report is presented on pages 6 to 7.

The annual financial statements set out on pages 5 to 20, which have been prepared on the going concern basis, were approved by the trustees on 2 December 2021 and were signed on their behalf by:

(Registration number: IT 1524/2002)

Annual Financial Statements for the year ended 28 February 2021

Trustees' Report

The trustees have pleasure in submitting their report on the annual financial statements of The Sozo Foundation Trust for the year ended 28 February 2021.

1. The trust

The trust has been established to provide funds to or for the benefit of impoverished or disadvantaged communities or groups, in order to assist such communities or groups to improve their circumstances, whether by ways of provision of basic human necessities, provision of health care services, or provision of training and education to enable the members of such communities or groups to obtain employment or otherwise.

2. Review of financial results and activities

The annual financial statements have been prepared in accordance with Entity specific basis of accounting. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the trust are set out in these annual financial statements.

3. Trustees

The trustees in office at the date of this report are as follows:

Trustees	Office
Anton Cuyler	Chief executive officer
Stefanus Olivier	Chairperson
Cecil John	Deputy chairperson
Rodney Hopley	Treasurer
Elana Cuyler	Trustee

4. Events after the reporting period

The trustees are not aware of any material event which occurred after the reporting date and up to the date of this report.

5. Going concern

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material noncompliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.

6. Auditors

Vantage Chartered Accountants (SA) & Registered Auditors continued in office as auditors for the trust for 2021.

Independent Auditor's Report

To the Trustees of The Sozo Foundation Trust

Qualified Opinion

We have audited the annual financial statements of The Sozo Foundation Trust (the trust) set out on pages 8 to 16, which comprise the statement of financial position as at 28 February 2021, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, the annual financial statements of The Sozo Foundation Trust for the year ended 28 February 2021 are prepared, in all material respects, in accordance with the basis of accounting as set out in Note 1 to the financial statements to the annual financial statements and the requirements of the Trust Property Control Act 57 of 1988.

Basis for Qualified Opinion

In common with similar entities, it is not feasible for the organisation to implement accounting controls over donations and grants received prior to the initial deposit into the organisation's bank account. Accordingly, we were not able to extend our examination of such amounts received beyond the receipts actually recorded.

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of our report. We are independent of the trust in accordance with the sections 290 and 291 of the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (Revised January 2018), parts 1 and 3 of the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (Revised November 2018) (together the IRBA Codes) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities, as applicable, in accordance with the IRBA Codes and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Codes are consistent with the corresponding sections of the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) respectively. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the annual financial statements, which describes the basis of accounting. The annual financial statements are prepared in accordance with the trust's own accounting policies to satisfy the financial information needs of the trust's trustees. As a result, the annual financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the document titled "The Sozo Foundation Trust annual financial statements for the year ended 28 February 2021", which includes the Trustees' Report as required by the Trust Property Control Act 57 of 1988 and the supplementary information as set out on pages 17 to 20. The other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, [insert description of matter]. We have concluded that the other information is materially misstated for the same reason with respect to the amounts or other items in the [insert description of other information that is misstated] affected by this matter.

Independent Auditor's Report

Responsibilities of the Trustees for the Annual Financial Statements

The trustees are responsible for the preparation of the annual financial statements in accordance with the basis of accounting as set out in Note 1 to the financial statements to the annual financial statements and the requirements of the Trust Property Control Act 57 of 1988, for determining that the basis of preparation is acceptable in the circumstance and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

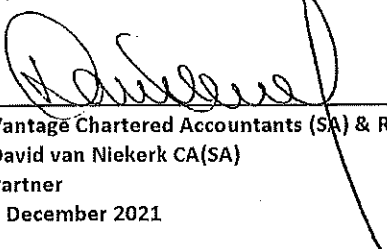

Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Formerly The Nceda Trust

(Registration number: IT 1524/2002)

Annual Financial Statements for the year ended 28 February 2021

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the accounting policies as set out below. The annual financial statements have been prepared on the historical cost basis. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

1.1 Property, plant and equipment

Property, plant and equipment is written off in full in the year the capital costs are incurred, and are disclosed below the net operating surplus (deficit) as capital expenditure.

1.2 Financial instruments

Initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through surplus or deficit) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria in section 11.8(b) of the standard, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in surplus or deficit.

Financial instruments at fair value

All other financial instruments, including equity instruments that are publicly traded or whose fair value can otherwise be measured reliably, without undue cost or effort, are measured at fair value through surplus and deficit.

If a reliable measure of fair value is no longer available without undue cost or effort, then the fair value at the last date that such a reliable measure was available is treated as the cost of the instrument. The instrument is then measured at cost less impairment until management are able to measure fair value without undue cost or effort.

1.3 Tax

Tax expenses

The trust is exempt from tax in terms of Section 10(1)(cN) of the Income Tax Act.

1.4 Inventories

Inventories are measured at the lower of cost and estimated selling price less costs to complete and sell, on the first-in, first-out (FIFO) basis.

The Sozo Foundation Trust

Formerly The Nceda Trust

(Registration number: IT 1524/2002)

Annual Financial Statements for the year ended 28 February 2021

Accounting Policies

1.5 Impairment of assets

The trust assesses at each reporting date whether there is any indication that assets may be impaired.

If there is any such indication, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in surplus or deficit.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (or group of assets) in prior years. A reversal of impairment is recognised immediately in surplus or deficit.

1.6 Employee benefits

Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as leave pay and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

1.7 Revenue

Revenue comprises donations and grants received from various sources and is measured at the fair value of the consideration received.

Interest is recognised, in surplus or deficit, using the effective interest rate method.

	Cost or revaluation	Accumulated depreciation	Carrying value	Cost or revaluation	Accumulated depreciation	Carrying value
Leasehold property	1	-	1	1	-	1

Details of properties

The trust occupies a 610m2 building in terms of an indefinite period lease. This leasehold building has been improved at a cost of R4,112,328 to date (2020: R3,752,328), and has been paid for by funds and donations raised by the trust. The building has been completed and is used by the trust as classrooms for the Youth Education Project, for supporting various other community projects, and for its administrative offices.

The trust does not pay any rent for the occupation of the land and building.

3. Other financial assets

At fair value

Brimstone Investment Corporation Ltd	1	1
--------------------------------------	---	---

The investment comprises 66,189 ordinary 'N' shares (2020: 61,859) in Brimstone Investment Corporation Ltd. The shares were granted to the trust by the Brimstone Empowerment Share Trust. The sale and control of these shares are restricted for a period of 5 years from acquisition date, being 23 June 2017. Accordingly, the full value of the shares will only be recognised on 23 June 2022.

The fair value of the investment at year end is 390,515 (2020: R433,013), which calculates as R5.90 per share (2020: R7.00 per share).

The Sozo Foundation Trust

Formerly The Nceda Trust

(Registration number: IT 1524/2002)

Annual Financial Statements for the year ended 28 February 2021

Donor schedule

Figures in Rand

2021

2020

The Sozo Foundation Trust is grateful to all our donors who continue to support our activities.

In the current year we also acknowledge donations in kind from:

- Charlotte Rhys Cape Town
- Community Chest of the Western Cape
- PEP Stores SA

A detailed list of donors who have continued to support the Trust over the past two years is disclosed on the following pages.

The Sozo Foundation Trust

Formerly The Nceda Trust
